

COMPREHENSIVE INSIGHTS INTO OVARIAN CANCER: OCC (OVARIAN CANCER CONGRESS) 2023

INAUGURATION OF KLSC AGOI (KERALA STATE CHAPTER)

YGOG SESSION

15-10-2023

9am to 4pm

VPS Lakeshore Hospital Auditorium

We are thrilled to extend our warmest invitation to you for this year's highly anticipated Ovarian Cancer Congress. With great enthusiasm, we gather to embark on a journey towards enhancing our collective understanding of ovarian cancer, fostering connections, and creating pathways to progress in research, treatment, and support.

This congress is more than just a gathering of experts; it's a convergence of minds, a space to come together to share insights, experiences, and advancements in the field of ovarian cancer. Our aim is to create a comprehensive platform that addresses the myriad aspects of ovarian cancer, from early detection to survivorship, from cutting-edge therapies to holistic well-being.

Your presence at the Ovarian Cancer Congress 2023 is more than attendance; it's a statement of solidarity. It's a commitment to raising awareness, to advocating for change. Together, we can amplify our voices and work towards a future where ovarian cancer is not just treatable, but preventable.

We can't wait to welcome you to the Ovarian Cancer Congress 2023 as we take steps towards a brighter and healthier future. Let's walk this path together, united in our commitment to making a difference.
